Dear Members:

Thank you to all who attended the January 25, 2018 Annual Meeting and thank you to everyone who voted. David Doshier, Amy Slatton, and Joe Paul were elected to fill the three open positions on the Board of Directors. There were six candidates running for the board and we would like to thank each one for volunteering to serve.

Special thanks to outgoing Board President Peter Gleason. Peter has served two terms on the Board of Directors and twice as President. Mr. Gleason has played a very important role in making improvements to the community while on the Board.

Our new toll tag gate system is fully operational. We are still working out a few adjustments, so thank you for your patience while making this transition. The new gate system should greatly enhance our security at the main entrance. Please remember to slow down while driving through the gate area.

As we head further into winter, remember to watch the temperature, and take care of your people, pets, and pipes. Bring your pets inside and check on the elderly. Also, when temperatures get down to single digits and stay below freezing; it helps to leave a faucet inside the house dripping slowly to prevent freezing - especially where water lines are located on an outside wall.

Don't forget to come join us at the Restaurant. The daily specials are posted on Facebook and the Sunday brunch is from 9am to 1pm weekly with the "Best Omelet in Town". Our restaurant also makes excellent soups daily.

Community events and special days to mark on your calendar:

February 10th – "Little Sweet Hearts" Valentine's Dance

February 14th – Valentine's Day

February 25th – Lions Club Chili Supper at the Community Center

Sincerely,
Jeff Baker

GOLF NEWS

Hello, hackers and swingers. I've said it before but here it is again, baby it's cold outside. refer to picture. I think if you look closely you can see Harold Bradford and Dave Thompson playing on number three. We had an informative meeting on December 3rd and reinforced decisions to plant trees ASAP and repair or replace some of our cart paths, and finish our driving range. I would like to invite everyone again to attend the golf Association quarterly meetings at Harborpoint café. GOOD TIMES. We will be hosting this year six scrambles. Along with a party or two for the lake Tanglewood residence. These are all significant fun raisers for this organization. Some of our funds go to help other organizations that request our assistance. Scrambles this year will be on or about these dates. Spring fling April 7 memorial day in late May, Fourth of July to be announced, August 18 club championships, and our annual Labor Day scramble. These are all tentative dates please watch the marquee. Just a couple of notes and I will say goodnight. Mike Shafer and Dave Thompson scored hole in one this winter. Please let me know if you or someone you know has accomplished the same feat we will be glad to include the names of such Heroes Keep on swinging Roger TURNER, President LT GA.

THE RUSSELL ACTIVITY CENTER

Lee and Natalie Russell truly believed in helping others. Natalie was an advocate of physical education and was honored at Amarillo College for her work with students. The Russells generously donated money to the Lake Tanglewood Church. A community-wide steering committee thought that Lee and Natalie would be honored and recognized if their money was used to renovate the old court area and make it into a facility that could be used by both the church and the community.

The photo above shows what the Russell Activity Center (RAC) could look like. The church members unanimously voted to spend the Russell money to renovate the old athletic area. The new center will have a basketball area with six goals, a tennis court, a volleyball court, multiple pickle ball courts, and a pavilion that will shelter people from the sun or rain. Half of the pavilion will be enclosed so that the church teenagers may have an area for their meetings and praise & worship. When the church is not using the RAC, it will be available to the public. Community members may reserve the RAC by scheduling at the LSIOT office.

Anyone who would like to donate in order to help complete the RAC can make a TAX-FREE donation to the Lake Tanglewood Church, 106 Tanglewood Drive, with a memo that it is for the RAC. Donations will be used to help install new fencing, central heat & air in the pavilion, and picnic tables/benches, as well as enhance the landscaping. Any donations are appreciated.

The church plans to have a cookout Memorial Day to celebrate the completion of the RAC. Everyone is invited.
