Dear Members:

Thank you to those who attended this year's annual meeting, and to those who voted. From the voting results Dwayne Hollis and Stony Brown are the two new Board Members.

Special thanks to outgoing Board Member and President Taylor Bell for volunteering his time to service the community. Since the Annual Meeting was late in the month of January, the 2025 Board of Director officers will be included in the March newsletter.

A burn off of the east upper rim of Lake Tanglewood will be taking place in the next few months weather permitting.

As we head further into February, remember to watch for low temperatures. When the temperature gets down to single digits and stays below freezing, it helps to leave a faucet inside the house dripping slowly to prevent freezing, especially where water lines are located on an outside wall.

Community events and special days to mark on your calendar:

- **February 14th - Valentine's Day**

Sincerely,
Brett Pate
LSIOT, Inc. General Manager

Deadline for Newsletter is

The money raised by the Club, after printing costs, will be donated to charities. (The list of our charities will be available at our July 4th bake sale.)

If your information is accurate in the 2023/2024 directory, **YOU DO NOT NEED TO CONTACT US.**

If you're **NOT** in the current directory, **OR** moved into the community since 2023, you may submit your information to the club by emailing it to LTWomensClub@gmail.com.

On January 17, 2025 the Lake Tanglewood Golf Association held our meeting at 5 o'clock in the clubhouse. Outgoing president, Rick Swope presided.

Financials were presented and reviewed by secretary / treasurer Jason Hardegree. A motion to accept the financials was made and accepted.

The agenda included future plans for the Golf association upgrades to the golf course, and election of new president. After some discussion a motion was made to nominate "myself", Roger Turner to serve as the new president. The vote was unanimous, so now I have the pleasure of being the golf association president once again. Rick will assist me as vice president, and Jason will remain as secretary/treasurer.

The bulk of decisions were how the association will move forward in the future with our focus on improving our tee boxes, fairways, and planting trees. This will only be possible if we improve our water supply to the course. It will take time and effort by community leaders and us as members of this golfing community.

I would like to thank everyone for your continued support of our golf course and the Golf Association.

Please feel free to contact me with any questions, issues, improvements ideas or concerns in the future.

Respectfully,
Roger D. Turner

The custom benches are being fabricated and should arrive for the fishing dock pad in late February or early March. Fishing was good until the winter cold finally set in, so I have not gotten any reports. LG Sonic has approached us about Tanglewood being a "case study development" lake. We are the first client that has all of the water activities with the units installed. The trade out is our spring start up will include the techs coming out to assist our crew for no charge. Look for a February date soon for the annual LTAC bass club meeting. Everyone is invited as we will hold it at the Community Center. The spring stocking this year will consist of Florida strain bass. and numbers depend on our monies donated.

Thanks

Steve
