HAPPY NEW YEAR!

As we head further into winter, remember to watch the temperature, and take care of your people, pets, and pipes. Bring your pets inside and check on the elderly. Also, when temperatures get down to single digits and stay below freezing; it helps to leave a faucet inside the house dripping slowly to prevent freezing - especially where water lines are located on an outside wall.

The LSIOT annual membership meeting will be held January 25th at the Community Center. This year we have six members running for three openings on the LSIOT, Inc. Board of Directors. The candidates include: David Doshier, Joe Paul, Kevin King, Steve Camarata, John Johnson, and Amy Slatton. Everyone should be receiving an absentee ballot by mail the first week in January. Please take the time to vote. If you do not plan to attend the annual meeting, you can turn in your absentee ballot at the Corporation office.

The newly renovated park restrooms are now open and will stay open all year. Also, the renovated gate entry is ready to go, and will be activated mid to late January. Please keep your old blue stickers on.

Please make sure that all new construction (including homes, outbuildings, boat docks, etc.) has a building permit from the Village.

Don't forget to come join us at the Restaurant. The daily specials are posted on Facebook and the Sunday brunch is from 9am to 1pm weekly with the "Best Omelet in Town". Our restaurant makes excellent soups daily and try ordering some delicious pizza for game day. Special thanks to Sterling Buttrill and Rachel Lafferty for decorating the restaurant for Christmas. Great job!

On behalf of all LSIOT, Inc. employees, thank you to the members who brought by all the gifts and goodies. Most of all thank you to all the membership for your support and making Lake Tanglewood a wonderful place to work.

Community events and special days to mark on your calendar:
January 25th – Annual LSIOT Membership Meeting
February 18th – Lions Club Chili Supper at the Community Center

Sincerely,
Jeff Baker
LSIOT, Inc. General Manager

Deadline for Newsletter is
JANUARY 19TH
Be sure to have it to us by NOON
on this day!

LAKE TANGLEWOOD

Activities Club

Come join us! - Visitors and New Members welcome!

The Activity Club Calendar for January will be planned at our first meeting of the New Year, Monday, January 8, 2018. We will also have election of officers at that time as well.

We invite and welcome women to join us each Monday morning at 10:00 in the Activity Center for good fellowship, opportunities to serve, field trips followed by lunch out, guest speakers and making needed items for nonprofits. We want to make a positive difference in each other's lives as well as our Community and those outside.

Happy & Blessed 2018

Running for Board of Directors

My name is David Doshier and I am running for the Board of Directors this upcoming election. I am currently serving on the Board, as I am filling in for a resigning members place. I have enjoyed learning about our community and would proudly serve a full term.

My wife, Marianne, and I moved here in November of 2010 and have enjoyed it very much. We each have a child , two granddaughters and another one on the way!

I grew up in Vega Tx and farmed and ranched my entire life Having sold the farm, we decided to move here and enjoy a little stressed free lifestyle! I graduated from WT with a degree in Ag Business and Economics. I served on the Vega school Board for 9 years. I have also served on regional ag lending association for 9 years.

Thanks for your consideration.

Sincerely,
David Doshier

My name is John Johnson and I am running for the Board of Directors.

I was born in Amarillo, Texas and I graduated from Amarillo High and received my Bachelor of Science degree from the University of Nebraska.

I have been married to my wife Sara for 24 years and we have two sons Slater and Spencer. Both sons are attending college.

We have leased and owned properties at Lake Tanglewood for the last five years.

I am Owner Operator Integrity Motors for 17 years and Owner and President Country Chevrolet in Borger since 2016.

Thank you for your consideration,
John Johnson

Amy Slatton- Candidate for LSIOT Board of Directors

It has been such a blessing the past few years to live and be a member at the beautiful Lake Tanglewood. I am running for a seat on the Board of Directors for LSIOT, Inc. because I love this community and feel it is my responsibility to serve my neighbors. I have been in service type jobs my entire life. Serving passengers on American Airlines as a Flight Attendant, Cub Scout leader, President, VP, and Board member of the Matoaca High School PTA/PTO in Virginia for six years while my children were students. I served with Richmond Friends of the Homeless, and served as a leader in Mom's in Touch/ Prayer for many years. I held a Virginia Class A building contractors license for several years before moving to Amarillo, where now I am a Realtor at Larry Brown Realtors Inc. I would be honored to serve Lake Tanglewood with my best ability.

My name is Joe Paul I am running for the Board of Directors this coming election.

I am married to my beautiful wife Leslie. My wife Leslie and I have been a full time resident here at Lake Tanglewood since May of 2015. We never knew where Lake Tanglewood was from Amarillo but since our daughter and son-in-law move out here in April of 2014, we told them we would help them remodel their kitchen. And after four months of driving to Lake Tanglewood the rest is history because we were hooked after that (no pun intended) ! We are blessed to have five daughters and three son-in-laws (and maybe another son-in-law soon) which have given us 7 grandchildren to spoil rotten and send back home. With two more daughters to marry, things in our life will be even more colorful in the future. We have enjoyed getting to share with them the lake life that we have out here.

At the age of three years old I was blessed to grow up on the farm and then become involved in many facets of the farming business, grain business and commercial livestock production business. I believe that this exposure to these businesses could be an asset to help the people who live here and work here at Lake Tanglewood. I would appreciate your vote for the board position and will do my best for the people who live here and work here.

Thank you for your consideration..

Sincerely,
Joe Paul

I am Steve Camarata and I am running for the Board of Directors.

I have been a homeowner at the lake since March 2015. I am 61 years old and have been in the land surveying business for 16 years.

I have experience in all areas of construction and maintenance. Experience and training in animal science, wildlife management, topography and geography.

I am married to Pam and she is an elementary school principal

My goals are to assist and provide through our form of government a safe and secure environment for residents.

Expressing concern and listening to all ideas which in turn will lead to a more progressive and conservative community.

Thank you for your consideration,
Steve Camarata

My wife Rachelle and I moved to Lake Tanglewood around 2 years ago as full-time residents. Both of us grew up in small towns and Tanglewood was a natural fit for my family. We are dedicated to the community and while I have not been here very long I want to run to make a difference because it affects me and my kids. I utilize the lake and its facilities on a regular basis and want to ensure safety and success in the community. Because I live here full time I feel it is my duty to have a vested interest in its future success. I feel it may be a good thing that I have not lived here for years because it allows me to look at the issues that arise with a fresh mind and ideas. Thank you for your vote and faith in me.

THE RUSSELL ACTIVITY CENTER

Lee and Natalie Russell truly believed in helping others. Natalie was an advocate of physical education and was honored at Amarillo College for her work with students. The Russells generously donated money to the Lake Tanglewood Church. A community-wide steering committee thought that Lee and Natalie would be honored and recognized if their money was used to renovate the old court area and make it into a facility that could be used by both the church and the community.

The photo above shows what the Russell Activity Center (RAC) could look like. The church members unanimously voted to spend the Russell money to renovate the old athletic area. The new center will have a basketball area with six goals, a tennis court, a volleyball court, multiple pickle ball courts, and a pavilion that will shelter people from the sun or rain. Half of the pavilion will be enclosed so that the church teenagers may have an area for their meetings and praise & worship. When the church is not using the RAC, it will be available to the public. Community members may reserve the RAC by scheduling at the LSIOT office.

Anyone who would like to donate in order to help complete the RAC can make a TAX-FREE donation to the Lake Tanglewood Church, 106 Tanglewood Drive, with a memo that it is for the RAC. Donations will be used to help install new fencing, central heat & air in the pavilion, and picnic tables/benches, as well as enhance the landscaping. Any donations are appreciated.

The church plans to have a cookout Memorial Day to celebrate the completion of the RAC. Everyone is invited.
