January 27 Business Meeting

I have served on the Lake Tanglewood Board over this last year. I would like to continue to have the opportunity to serve on the Board of Directors.

I have been a resident of Lake Tanglewood for five and half years. I am 59 years old and grew up in this area. I graduated from Canyon High School and West Texas A&M with a Bachelors Degree in Ag Business and Economics.

I am the CFO and Commodity Risk Manager for Cattle Marketing Services, one of the largest privately owned feeder cattle and calf procurement companies in Texas, buying, selling and handling between 150,000 and 200,000 cattle annually.

We are all very blessed to live and enjoy the lake and community amenities as residents of Lake Tanglewood. I have enjoyed serving as a board member over this last year. Our board currently has great continuity in striving to make Lake Tanglewood a great place to live for our residents. I would like to have the opportunity to continue to serve the community as a board member again in the coming years.

Dwayne Hollis
